Camp Kod

20th January 1897

Dwan Savanur requested to report whether in Savanur State the village officers are paid potgi from the treasury the amount being collected as judi on their watans as in British territory or not. It seems that in some cases this is done, while in others the officiators are paid no potgi but have to remunerate themselves as best they can.

On receipt of the report steps will be taken to remedy this apparent anomaly: for at present watandars as far as possible avoid service and regard the right of service as

a burden and not as a privilege as is the case in British territory.

Sir,

With reference to your No 15 dated

Their pay is disbursed from the treasury every mon

The patils and Kulkarnees of other villages are all watandars. They are paid no potagi from the treasury, but serve by enjoying the profits of watan lands for which they pay only mamul judi. Whenever representative watandars nominate deputies to officiate for them, the deputies are remunerated by their nominators.

With a view to introduce the system of paying potagi to the watandar village officers also, scale judi patrakas were prepared and in 1879/80 orders were issued to the village officers to collect judi accordingly. But the watandars appealed against the orders to the Commissioner, S. D, who decided in his No 63 dated 24th April 1882 that: —

(a) No scale judi should be imposed on the watans.

(b) No potagi should be paid to the watandar

village officers.

(c) The wālandars should not take Aya (perquisites) from rayals &c.

The vernacular papers relating to the subject are submitted herewith for favour of perusal.

I further beg to bring to your kind notice that on 5th November 1890, my predecessor R. B. Gururao Krishna Divan again proposed in his report No 148 (Sent herewith) to the late Nawab that on the grounds stated by him, wālandar Pālils & Kulkarnes should be paid potagi the amount being collected as judi on their watans. But, as the matter remained undisposed of until the death of the Nawab, the Political Agent ordered on 18-10-92 that no further steps were to be taken in the

Accordingly to the order of Asstt. Pol. Agent the Patil of Holankalli Shankraya bin Kotraya has been dismissed from the state services. Shrinivas Parasaram Kulkarni of Holankalli & Kasinath Gururao Kulkarni of Torur have been suspended for 6 months.

Gururao Pandurang Kulkarni of Hubkalli has been temporarily appointed as Patil & Kulkarni of Holankalli. Raghavendracharya Kulkarni of Mudkeri has been temporarily appointed as Kulkarni

of Tonur. Anlikatti is one mile from Tonur & Inuttkeri is very near to Tonur. For want of new hands Gururao has been appointed both as Patil & Kulkarni of Holanhalli. A report to appoint another man to Holanhalli will shortly be made.

In accordance with the last para Kashinath Gururao has been informed that if he does not stay at Tonur steps will be taken to appoint another man in his place.

Returned with compliments to the A.P.A. together with the Savanur chief constable's V. report No. 224 / 27.7.00 and its accompaniments relating to further investigation in the matter.

2 The chief constable reports that ~~[illegible]~~ sufficient evidence is ~~[illegible]~~ ~~sufficient~~ not procurable to support a charge against Shriniwas Parshuram Kulkarni of Holankalli & Kashinath Gururao Kulkarni of Lower. From what has been already reported, the W.S. does not feel doubt to say that both of them had knowledge of the dacoity either before or after the ~~[illegible]~~ commission of the offence. As sufficient corroborative evidence is not forthcoming, it does

not seem desirable to ~~bring them to justice~~ prosecute them. They have already been suspended for six months and this seems to be sufficient punishment for their failure to give information on the subject.

3 The evidence obtainable against the late Patel Shankraya has been detailed in the chief constable's report & it appears sufficient to ~~suff~~ prove his guilt under Sec. 176 I.P.C. The said Shankraya is not a wantandar and on his dismissal, a fit nominee of the watandar patil has been appointed for Holanhalli. If the punishment of dismissal already awarded be, in the opinion of the a.p. agent, inadequate for intentional omission to give information on the subject, orders may be kindly issued ~~to proceed~~ accordingly & the w.s. would proceed against Shankraya according to Law.

2 The question of payment of pay to the petitioner of pay for 3 years & 3 months remained in abeyance pending receipt of orders on a report from R. B. N. R. Sheriff late Diwan in regarding the conduct of petitioner in the matter of unauthorized felling 2 Nim Trees.

This matter was at last disposed by the A. P. A. in his No 620 dated 6 May 1902 in which it was directed that a warning should be given to the petitioner.

3 It was directed in the A. P. Agent's No 470 dated 10 March 1902

No 302 of June 1901

that the petitioner should be paid
Rs 3 p.m.
Rs 3 p.m. (in 3 years & 3 months), and orders
were according from the village
officers to recover the amount
from all walandars. It will
be seen from the corres-
ponding on the this office Vern. No. 127
dated today that the present
village officers of Wadi Kop
are not responsible for the
delay in the payment of the
Rs 3 p.m. as alleged in the above petition
but
that the body of the walandars
are too poor to pay the
amount at once. On receipt
of the orders in the last reference
the necessary orders will be
issued to the village officers, but
it is not possible to recover
as will appear from that reference
the whole or even part of the Rs 3
until the next harvest.

4 It will be thus seen that the
complaint of the petitioner against the

present village officers of Wadin
Kop ~~in the matter of~~ in the delay
~~in~~ in the payment of his
pension is groundless & that
his petition is ~~merely~~
~~unjustly~~ vexatious.

Sir,

I have the honour to enclose herewith copy of the marginally noted Correspondence and with reference to Government letter No 158 of dated the 9th March 05 to report that I am of opinion that the enforcement of the Schedule proposed by Government is likely to cause great discontent among the watandars in possession of the watan lands by depriving them of the greater part of their profits for the benefit of the officiators. Moreover the majority of the villages are very small containing less than 500 inhabitants in some cases less than 200 or even 100. The collections of revenue too are in many cases small. A uniform remuneration of Rs 12 o/-

would be too much in the majority of cases.

I am, therefore, of opinion that the same scheme should be introduced as may be found suitable in British Territory.

Messrs Gibb & McNeill have both recommended that the Wingate scale should be introduced and excess judiciously proportionately on all the Walons to provide the necessary amount, but no more.

But as proposals are now under consideration to increase the Patils emoluments above the Wingate Scale in British territory, I think that the same rates as may be decided upon there should be enforced in Savoner.

REVENUE DEPARTMENT.

*Bombay Castle, 14th August 1906.*

RESOLUTION OF GOVERNMENT.

The Governor in Council is pleased to direct that in making appointments of revenue and police patels Collectors and Commissioners should exercise their discretion so as in the first instance to select for office as police patel the representative watandár who appears to be the fittest to hold that office, and to continue him in office so long as he remains the fittest, wherever the two offices of police and revenue patel are separate. Where the duties of revenue and police patel are exercised by one and the same person, it should always be considered whether there is likely to be a distinct gain in efficiency by the separate appointment of a police patel, and whenever it is decided that such gain will result, a separate police patelship should be made, and the most efficient representative watandár appointed to it in the manner already indicated. Where no representative watandár has been found of the requisite efficiency an efficient deputy should be appointed as prescribed in the orders passed in Government Resolution No. 3057, dated 25th April 1889.

*Instructions for preparing travelling allowance bills.*

1. Journeys of different kinds, and journeys and halts should not be entered on the same line. Only one kind of allowance should, therefore, be filled in on the same line and its amount carried out separately into the last money column.

2. Hours of journey should be mentioned only—
   (1) When for an absence from Head Quarter of not more than two consecutive days, daily allowance is claimed for two days.
   (2) When mileage or actual expenses in lieu of daily allowance are claimed.
   (3) When both railway or steamer fare, daily allowance, and actual expenses are claimed in respect of a journey by rail or steamer immediately followed by a journey, by road or by a halt.

3. Number of miles travelled should be entered in all cases of journeys by road or by boat.

4. The daily allowance of an officer acting in an appointment should be calculated on the pay or maximum pay of the appointment. (In the column "Pay" the full sanctioned pay of an appointment officiated in should be shown, but in the column "Designation" the word 'acting' should be entered against officers who are officiating in appointments.) Second class railway fare is admissible to an officer whose pay is Rs. 50 and above. When Railway fare is drawn, the actual pay of an officer should be shown.

5. Permanent travelling, conveyance and horse allowances should be drawn along with the pay of the officer and not on travelling allowance bills.

6. Fractions of a mile in the total for each person should not be charged for.

7. When the first item of travelling allowance to any officer is a halt, the date of commencement of that halt should be stated in the remark column.

Scale of daily allowance admissible to non-gazetted officers not included in Appendix 25 of C. S. R.

The increase proposed is not altogether inadequate considering

Two constables transferred from police to the head

Where an extra assistant was sanctioned by the P.W. in S. M. a 177 7.12.94.

The a Private school was incorporated in the Persian State School. + its pupils + master taken on the establishment.

This school was experimentally started by the P.W. - for six months on pay vide S. M. S. 57 1.12.94.

After consultation with the Edl. Department it was started on 7.1.95 + on 7.1.96 the attendance reached 80

Hence sanction to its permanent maintenance is sought.

This is not really an increase of establishment. The work used to be done by casual labourers: but the inhabitants now have gone to British territory. The work is necessary to be carried on

Then being no post between 9/- + 25/- there was no suitable provision for good service as the Jamadar's post requires higher education.

There will probably be some reduction in the police, which will more than cover all the increases proposed in the present proposal.

If Local Government is competent to sanction, its order will be written across these four columns.

Educational Department Urdu School.

Nos 4 & 5 — Increase of one assistant was sanctioned by the Political Agent in Savanur Inalki Avak $\frac{177}{7-12-94}$. A private school was incorporated in the Persian state school and its pupils and master taken on the establishment. There had also been an independent increase in the attendance at the state school

Educational Department Urdu girl school

Nos 1 & 4 — The school was experimentally started by the Political Agent for six months as per his Savanur Inalki Avak $\frac{57}{1-12-94}$. After correspondence with the Educational Department it was started on 7th July 1895 and on 7th January 1896 the attendance reached 80. Hence to its permanent maintenance is sought

Educational Department Kanarese girl school

No 2 — The increase proposed is due to the altogether inadequate present pay.

Village Servants (Inalkeri)

No 1 — This is not really an increase of establishment. The man used to be paid by perquisites but the inhabitants now have gone to British territory and he gets nothing. hence it is necessary to pay cash.

Law and justice (Jails):

Nos 1 & 2 Two constables transferred from Police to this head.

No. 4 There being no post between Rs 9 and Rs 25 there was no suitable promotion for good services; as the jamadar's post requires higher education. There will probably be some reductions soon made in the police department, which will much more than cover all the increases proposed in the present proposition statement.

Dharwar – Savanur.

Proposals for the revision of the salaries of the appointments of Divan and of the Chief Constable – state.

No. 7477.

Political Department.

Bombay Castle, 7th December 1897.

Memorandum from the Commissioner, S. D., No. 320, dated the 29th October 1897 –

Submitting, with his concurrence in the proposals made in paragraphs 2 to 5 of the Political Agent's letter, a letter to his address, No. 5054, dated the 6th July 1897, from the Collector and Political Agent, Dharwar, who proposes (paragraph 2) that the pay of the appointment of the Divan, Savanur state, should, on the retirement shortly of the present incumbent, be made progressive from Rs 150 to Rs 200, by increments of Rs 25 every three years, with a

travelling

travelling allowance of Rs 25 per mensem; that the Divan should be an officer qualified for the post of Mamlatdar, and states (paragraph 3) that it is expedient at the same time to restrict the powers and authority of the Divan who should while retaining his present Civil and Revenue jurisdictions be a Magistrate of the First class with ordinary additional powers; and the assistant Political Agent should be the District Magistrate; the Political Agent also proposes (paragraph 4) that the pay of the appointment of Chief constable should, for the reasons given, be raised from Rs 50 to Rs 60, which is the pay of the lowest grade of Chief constable in the British Territory; and that (paragraph 5) the services of the Tagai Karakun on Rs 12, whose appointment was sanctioned, as a temporary measure, by the Political Agent in 1894, be dispensed with as the post is no longer required, and

encloses

enclosed (paragraph 6) the necessary proposition statement. Stating that the Establishment shown under "present scale" in the proposition statement, referred to in paragraph 6 of the Political Agent's letter, was sanctioned in Government Resolution No. 5045, dated 16th August 1897. Adding that the present Divan of Savanur voluntarily applied to the Political Agent on the 14th October 1897 for permission to retire from service from 1st November 1897, and that the Political Agent is being asked to allow the Divan to retire, and to submit proposals for the appointment of his successor.

Resolution.— The proposals made by the Political Agent, Dharwar, in paragraphs 2, 4, and 5 of his letter No 5054, dated the 6th July 1897, for the revision of the salaries of the appointments of Divan, and of the Chief constable, Savanur State, and for the abolition of the post of the Tagai Karakun, are approved.

2. In regard to the proposal to restrict the powers of the Dîwan, Government are of opinion that the effect of the revision now sanctioned should be watched before a change in the constitution of the administration is decided on. If, as proposed by the Political Agent, the Assistant Political Agent is made District Magistrate, he ought to be made directly responsible for the whole administration of the state, an alteration in the arrangements sanctioned in Government Resolution No 7057, dated the 9th November 1892, for the administration of the state during the minority, which is not at present proposed.

dar on Rs7 ~~who should be acquainted which post should be given to one~~ ~~able to read & write~~. In the opinion of the H.S.

Having regard to the quantity of work in the overseer's office the E.S. is of opinion that there is no necessity for a separate store clerk ~~or end clerk, as the head clerk who has got light work may can do the duty in addition to his own without any difficulty~~

4. There is no reason why the overseer's peon's pay should be fixed at Rs 6 or not, as the formula is the rate of all other office peons in the State ~~peons get only Rs 6 each.~~

5 The E.S. ~~understands from personal enquiry~~ is informed that none of the Sub. Divl. If however, any particular work in an outline place is to be done departmentally, a mustering Karkun might be employed with the previous sanction of the a.p.a. on a salary of Rs 10 and the said salary should be charged to the work.

7 The overseer ~~should~~ might be authorized to employ as many mustering Karkuns as may be ~~strictly~~ absolutely necessary looking to the number & situation of works to be undertaken but ~~for all this temporary establishment~~ ~~The overseer~~ he should obt ~~previously~~ obtain the previous sanction of the a.p.agent for all Temporary Establishment that may be required for the next ~~few~~ months ~~to come~~. 8 The pay of all the Establishment under the overseer excepting a peon on Rs 6 should be charged to works as is usual in the P.W.D. of the British Territory.

Sir,

With refce to para 4 of your memo no 799 dated 3.9.1901 calling for proposals for the establishment of an additional English-knowing Karkun for this office I have the honor to report as follows:-

2 The present scale of the Diwan's office establishment was sanctioned by G. R. (Poll) no 3172 dated 29 May 1894. The work has since increased considerably on account of various causes such as (1) introduction of certain Huzur accts forms in accordance with the suggestions of the auditors. (2) the introduction of the tapai system (3) the ~~sys~~ introduction of the system of making loans to Khanzadas &c

the examination of bills recd from the Lady Superintendent & (5) the examination of bills &c received from the State P. W. Overseer.

It is difficult to describe accurately the extent of increase of work, but the appended statements may give an idea of it.

3. To cope with the increased work the staff & esp. especially the Nagadi Karkun, are almost always required to work before & after office hours & even on holidays. The Nagadi Karkun is the only English Knowing Karkun on the staff and it is necessary to appoint an additional English Knowing Karkun to do the English Correspondence work as well as to assist the Nagadi-Karkun who is in need of some relief.

4 I would propose that the pay of the new appointment be fixed at Rs 30 which is the pay of the 2nd Karkun in a Mamlatdar's office & that Mr Sheeko Rango 2nd Karkun (Rs 25) & Mr Ramingrao Vasudeva Nagadi Karkun (Rs 20) who have largely borne the burden of increased work & who are deserving of promotion be promoted to Rs 30 & Rs 25 & that an English knowing hand be appointed on Rs 20.

5 The requisite proposition ~~appropriation statement~~ statement is enclosed. ~~Reappropriation~~ The reappropriation statement will be submitted on receipt of sanction

Sanctioning the entertainment of a measurer on Rs 15/- per mensem for the — State, and the increase of the pay of the Malki Naik of that State by Rs 2/-.

No 6251.

Political Department.

Bombay Castle, 6th September 1901.

Letter from the Commissioner, Southern Division, No. Pol-253 dated the 17th August 1901:-

Stating that the Collector & Political Agent, Dharwar, proposes to entertain a measurer on Rs 15/- per mensem for the Savanur State; that he (Political Agent) says that the city Survey maps of the Savanur State have become quite worn out and nearly useless, and that consequently the results of the city Survey carried out at considerable expense to the State will practically be lost; & that he points out that since the Survey, many changes have taken place on account

of the disposal of sites &c., but that the maps have not been corrected for want of a suitable agency, and that there is no body to look after the measurement work and the correction of survey records when that is necessary; & adds that, with a view to meet this difficulty, the post of a measurer, has been created in the State on Rs. 15/- per mensem. Intimating that he (Commissioner) fully agrees with the Political Agent that the measurer should be entertained as proposed. Observing that the Collector & Political Agent further desires to increase by Rs 2/- for good service, the pay of the Mulki naik of the State; & recommending that this should be done.

Applicant seems to be qualified for this place.

it is thought that candidates who have studied in the Pleaders Examination have been selected

good knowledge of English are requisite qualifications & it has therefore been proposed in this office ~~in~~ report no 92 dated 19 Novr 1902 that either Mr T.S. Subject- Work in Savanur State.

Sir,

Referring to para 1 of my No.2750 of 21st ultimo I have the honour to report as follows in connection --- with the Torur tank which I inspected on the -- 13th instant.

2. The slip in the embankment ( a breach was averted by- the timely letting out of the water in the tank ) is due - entirely to percolation, the material forming the bank - being of inferior quality and no puddle core having been provided; from local enquiries made breaches have occurred at the same spot on former occasions.

3. To put the bank into thorough order a puddle wall -- must be provided; for this an estimate has lately been re- ceived and returned for revision with the necessary suggest -ions to the Assistant Political Agent under this office - No. 3015 of 14th Instant.

4. The central drain outlet has no stauhching wall and water escapes through on one side at present , a staunch- ing wall either of puddle or masonry seems necessary and should in my opinion be provided to guard against damage.

5. If these improvements are carried out, the tank will not require further attention for some time.

6. There has been no dereliction of duty on the part of the late Overseer Mr: Jog so far as I can see.

Sir

I have the honor to forward references noted in the margin on the subject of increase of pay & wages of peons & menial servants attached to the different departments & to report on each reference as follows.

(1) Covering letter beginning with Overseer's No 216 / 16-7-03 to the address of the A.P.A. & ending with this No 253 / 6-8-03

(2) Covering letter ending with Hospital Asst's No 43 / 8-9-03

(4) Do Headmaster Native Schools' 99 / 3-9-03

(5) Do Hd Master Kanowit Schools' No 58 / 5-9-03

(6) Petition by Inalis of the Nawab's Bungalow of 10-9-03

(7) Petition by the Bhisti Basar Kop of 3-9-03

2) Overseer's office – There are 2 peons & one bhisti

is on Rs 6 each. The Overseer reports that peons in the British P.W.D get Rs 7 to 9 ...

~~The application of the Overseer [illegible] appears to be to the other application~~

Dispensary — The establishment attached to the Dispensary is as noted in the margin. The S.A. reports that the present scale of pay is very low as compared with the duties imposed on them. The servants are required to be on duty day & night, while a Coolie getting Rs 7-8 p.m. at the rate of Rs 4 per day, has only to work during the day & is more independent. No body seems to like to take up an appointment in the Dispensary. The posts have

1 Peon on Rs 6
1 Bhisti on Rs 5
1 Sweeper on Rs 6

been, in the past year, for long periods, for want of substitutes. Difficulty is experienced in getting dispensary work, which is often-times disagreeable, unpleasant.

When Dr Lyons, Civil Surg: Dharwar, visited the Dispensary last, he expressed his opinion that the pay of the servants should not be less than Rs 7 ~~ea~~ that is to say, the ordinary monthly wages obtained by a Cooli in Savanur.

Warders — There are two jail warders on Rs 6 each. ~~The regular~~ ~~report that~~ The duties of warders are very responsible. They have, during the day, ~~always~~ blue in attendance in the prisoners, when ~~they are~~ the latter go to work. They have also two night duty. It is not easy to get honest warders on

a small pay. A warder's duties are more responsible than those of a Police Constable. It is desirable that the warder's pay should not be less than the pay of a P. Constable which is Rs 7

Servants in the English & Kanarese Schools

The pay of the English School servant is Rs 5 & that of the Kanarese School servant is Rs 6. The Hd Master English School reports that the pay of the servant is barely sufficient to maintain himself & his family. The Hd Master Kanarese School reports that the pay of servants in the British Schools is Rs 7.

It may be noted here that these servants are required to do menial work such as sweeping & cleaning the Schools & for watching the

The servant of the Kainuse School has moreover to disburse the pay of the masters in the village Schools of the State & gets no bhata when he ~~leaves~~ leaves the headquarters.

~~Bungalow~~ Bungalow Malis — These are 2. One gets Rs 6 & the other Rs 5. The scale of pay is barely in keeping with the wages of an ordinary Coolie. These are hard worked men when a Mali goes away, his place remains vacant & the gardens laid out at ~~some~~ great expense are injured.

The Mali on Rs 5 gave notice last month that he is not willing to serve. He has been induced to remain & an increase of Re 1 has been promised from the 1st of this month, (pending the sanction of these proposals) from the funds provided for the

entertainment of an additional temporary hand during the hot weather.

Bhistis — There are two Bhistis for the Khanpadas of Ravaiwa & one for those of Bassankop. The Bhisti at Ravaiwa gets Rs 8 each & the Bhisti at Bassankop gets Rs 4 only. The Bassankop khanpadas always complain that the Bhisti is absent & when he is away, no substitute is available & the khanpadas are put to much inconvenience. The bullock with the Bhisti belongs to the State & the Bhisti is supposed to feed it at his own expense. It is not possible to conceive how the Bhisti manages to maintain himself & his ox with Rs 4 p.m. He asks that his pay may be raised to Rs 8 as in the case of the

Saranur Bhisti: His request is quite reasonable

Bhangi — There are at present 2 Bhangi in the whole of Saranur one for the Khanyadas & the other for the Dispensary, the jail & the English School.

The State pays Rs 6 for the Bhangi intended for the Khanyadas. The Khanyadas & the Bhangi are always found to quarrel with each other. The Khanyadas complain that the Bhangi does not keep his & sepoys serve them & the Bhangi complains that the Khanyadas ill treat him & that his work is heavy & his pay is small.

The Dispensary, the jail & the English School pay Rs 2, Rs 2 & Rs 8

respectively. ∴ The Lavanis Municipality pays Rs 5-8 &c

The State & the Depts remit their shares to the Municipality & the Municipality pays Rs 8 to each of the 2 Bhangis & gets service done for the Khanyadis for the Depts named above & for itself in its Municipal limits, out of Rs 16 thus available. The work is too much for 2 Bhangis & is never, as a matter of fact, properly done.

It is proposed that 2 Bhangis ~~[illegible]~~ be employed by the state on Rs 8 each, one for the Khanyadi & another for all the Depts named above. The Municipality should employ a Bhangi of its own ~~[illegible]~~ for service within the Municipal limits. The pay should, as before,

be remitted each month to the Municipality of the Bhangi and continue to work under the supervision of that body.

It makes no difference if the State pays the money ~~[illegible]~~ direct to the Municipality or the Depts pay the money ~~[illegible]~~ to the Municipality for Bhangi service. When these proposals are sanctioned the amounts now allowed to the Depts for ~~[illegible]~~ Bhangi Service will be withdrawn. This arrangement will partly induce the work of each Bhangi ~~[illegible]~~ & secure better service.

3) An ordinary unskilled Cooli in Saranur gets Rs 4 to 6 per day. When a post is vacated in any of the Depts for any reason, a substitute is not available & the

first remains vacant work
suffers

4) The pay of the Sirdars appears to be very low of the Vaccinator get Rs 7 each p.m. It is at once necessary & desirable, that in the interests of efficiency, that the pay of all these servants shd be raised to Rs 7 p.m. Dr Lyons is decidedly of opinion that the situation will not be improved unless & until the pay is increased to Rs 7.

5) It may be noted here that the State is bound, under an agreement with the Khanjadas, to pay for Bhisti & Bhangi service to the Khanjadas

6) I append a statement showing the

present & proposed scale of pay
& the financial effect of these proposals.

To,

The Principal Rajkot. R. College

I the ufs beg to lay the following few lines before your kind consideration. I was sent on leave by the Lady Supt after my arrival with H.H. the Nawab of Savanur from Rajkot to Panchagani. On my leave the Lady Supt appointed a new Christian Butler in my place and informed me through the Diwan of Savanur not to come on service. I served in the State and in your College under your command for a long time. Therefore I beg that you will give your good opinion to the C. Agent about me. For which act of kindness, I and my poor family will be very much obliged to you

I have also applied to the C. Agent.

E&A Memo.

There are two vacancies owing to the demise of two Karkuns (one Narsingarao Vasudeorao on Rs 25 & the other Venkaji Subrao on Rs 20) in the Diwan's office Savanur.

No 1 Narsingarao was in charge of Nagadi Daftar & 2 Venkaji in charge of Inaste Daftar.

As regards filling up the post of Nagadi Karkun the Diwan proposes that the Nagadi work in the State is most important & that regard being had to the importance and heavy nature of that work the services of a Karkun of experience should be lent from the British Service. He recommends that either Mr I. S. Kulkarni, clerk on Rs 25 in the correspondence office or Mr Jade, clerk on Rs 20 in the Dist. Dy.

Collector's office shd be appointed or if either of them is unwilling to accept a place of Rs 25 the pay shd be raised to Rs 30.

The A.P. Agent negatives this proposal on the ground that either of the above named clerks have not put in 10 years service & their services cannot be lent under standing orders & recommends one Keshav Bhimarao. Bellikalandani as being a best qualified man according to his test.

As regards the post of Venkaji (Pay Rs 20) the A.P. Agent proposes that grade promotion should be given to the members of the existing staff of the Divan & two paid candidates at Rs 12 per month shd be appointed to cope with the increased work in the Divan's office.

There is no provision in the current year's Budget grant to meet the pay of the candidates. Still the Divan points out savings Rs 4211 under hd No 13 - Sehile Potgi of Patils & Kls.

out of which the charges can be met.

A list of Karkuns working in the Diwan's office is put up.

A list of applicants for one of the places at Savanur is also put up. There are 23 applicants.

Order.

Keshav Bhimarao Bellikalamdani to place Savanur on Rs 25.

Irappa Parappa 15 to 20 vice Venkaji.

Laxman Balaji 12 to 15.

Thamrao Jayarao to a place on Rs 12.

The question of increase of staff to be considered separately. The A.P. Agent can make proposals after his visit to Savanur where local enquiries shd be made as to (1) arrears (2) Amount of work of all sorts (3) No of hours a day the office works.

Note — Appointment of paid candidates

(1) Great difficulty is experienced in obtaining suitable hands when a vacancy arises owing to sickness & other causes. The reasons are

(a) The number of posts in the Diwan's office is limited (b) & the pay is small

(b) Chances of promotion are few & far between.

(c) No passed candidates are locally available

(2) It is not possible to obtain unpaid candidates to work in the office, from outside, as the prospects of getting a permanent appointment

are very remote

(3) Each Karkun is in charge of the work of 2 or 3 Daftars & if he is ~~disabled~~ unable for any reason to attend the office, his work remains undisposed of until he returns. The other Karkuns being overworked cannot do the work of the absent Karkun.

(4) Work has, in recent years, considerably increased but the establishment remains the same.

(5) In British Taluka offices working candidates are appointed. They learn the Taluka work & ~~qual~~ qualify themselves for appointment to vacancies. In British offices passed men voluntarily apply to be appointed candidates (without any remuneration) in hopes of getting an appointment sooner or later & the

field for promotion too ~~[illegible]~~ is very large, there work in consequence gets a smoothly. These circumstances do not exist in the Diwan's office & work suffers

(b) With a view to improve the situation the following arrangements are proposed

(a) Two paid candidates who have passed either the Matriculation or the School Final Exam should be appointed on Rs 12 each.

(b) They should learn the work of each clerk. They should also do the copying work & the copying fees (hitherto paid to the ~~copying~~ person ~~[illegible]~~ who does the work) should be credited to the State. The income from copying fees is on an average

Rs. 70 ~~or 80~~ per year or Rs. 6 or 7 per month.

(c) The candidates to be selected & appointed by the Dewan. If they do not work satisfactorily or mis-conduct themselves they should be departmentally dealt with or summarily the Dewan

(d) If a temporary vacancy occurs in the office, no additional hand need be employed as these candidates are available. This will result in some savings to the State. If a permanent or long vacancy occurs, the more deserving candidate may be appointed to the first vacancy of the candidate's post refilled by the Dewan.

(7). Loans given to Bindu Vaidyas

Khangadhas during the last few years amount to about Rs. 16000 & the balance to be recovered is applied to about Rs. 6829. Fresh applications for loans, it may be noted here, are being received & granted. This transaction entails ~~involves~~ additional work on the Nagar Kartam

The State receives so much in the way of interest on these loans for month & part of the interest maybe appropriately applied to the entertainment of one paid candidate. The other candidates may ~~[illegible]~~ maybe defrayed partly ~~by~~ from the record from receipts & partly ~~by~~ from the income from interest on Tagai which is being planted from year to year

It will thus be seen that the

cost of additional establishment will be met from items of additional income to the State.

(8). The proposal for the appointment of paid candidates may look odd. But it is eminently suited to the special circumstances of the Dewan's office.

(9) In this connection reference is requested to (1) memo of additional work ~~carried~~ entailed on the office (2) memo of arrears of work to be done & (3) memo of ~~[illegible]~~ work of all sorts to be done in the Dewan's office. (6 x Nos 2, 3 & 4)

(10) In consequence of additional powers being given to the Dewan the no. of references to the A.P.'s office has been greatly reduced but work in the Dewan's office has proportionately increased

Whatever reasons the Dewan may have had for recommending that the applicant may be paid his full pay of Rs 20 for the whole month of November 1904, the undersigned does not think there was any good ground for recommending the payment of 'bhatta' of Rs 8 in addition to his pay in as much as it was a local allowance granted to him while on service at Rajkot. Sir

I have the honor to propose arrangements as per accompanying memo for filling up the two posts of Rs 25 & Rs 20 in the Dewan's office vacated by the death by plague of Kurkuns Keshavarao Bellikalandar & Bhimachariya Raichur

2) Of the 6 kurkuns in this office 5 are new & only 1 is old. The appointment of quite new & inexperienced men is sure to result in serious inconvenience to the office which is already undermanned & overworked. Two of the old kurkuns died of plague last year & two more this year. Practically the Dewan & his Head kurkun

have to work into everything & get work done

3) I beg to enclose lists of ~~applicants~~ candidates

(1) Applicants who have passed the Matriculation & S.T. Exam & have appeared for the Pleaders Exam

(2) Do who have passed the Matric or the S.T Exams

(3) Do who have passed no exam but who know English

(4) Do who do not know English

(5) Do ~~who~~ for the list of hand candidates

} applicants for the vacant posts as noted in the margin. The necessity of filling up vacancies in the Division office

by the appt. of men who have appeared for the Pleaders exam was recognized & Bellikalandam was appointed to a vacancy of Rs 25 last year. The claims of applicants in list No 1 need, therefore, only be considered in filling up the present vacancies. Of the 4 applicants as in this list, messrs Chalyan & Keresan have been selected as they have worked

Sokerkam: The Shibli Subpoji

in ~~[illegible]~~ office & seem to have experience of work & are likely to be useful. The other applicants appear to have no knowledge of office work.

4) Mr Chalfen has been put in charge of the Angul & Cuttack (Mr & Mrs) work & Mr K. in charge of the Cut work. These are very important Daftars & cannot without inconvenience be entrusted to quite new men. After a further trial of these two men, say for 6 months, I propose to recommend them for permanent appointment. They are willing to enter into a bond not to leave the State service for a period of 3 years even though they should pass the Pleaders exam. In the interests of the efficiency of the office, it is necessary that they should remain in

the office for some time. The other Kurkuns in the office will, in the meantime, be enabled to equip themselves with a knowledge of ~~[illegible]~~ the various branches of office work

5) In these cases, I have the honor to request that the honorary appointments proposed may kindly be sanctioned

6) The Verne memos & the lists of applicants may kindly be returned when done with

Office Memo.

Consequent on the death of Karkun Keshava Rao Rs 25 & Bhimacharya Rs 20 the following probationery appointments are proposed.

Hanamant Shrinivas Chalgeri to be Rs 25 Karkun vice Keshava Rao.

Chalgeri has passed the Matriculation Examination & had appeared for the Pleaders Examination 4 times. He has knowledge of Civil and Criminal Laws & procedure. He was an acting Karkun in the Hubli Subjudge's office & has apparently experience of office work.

Laxman Balaji Ghatikar Rs 15 Karkun to be Rs 20 Karkun vice Bhimacharya.

This

This is the only Karkun in the Divan's office at present who has passed an educational test (Matric). He has been in charge of one of the most important Daftars in the Office viz Nagadi. He is intelligent & industrious & has so far worked satisfactorily. This is the first instance during the last many years in which a man who has passed an educational test has sought service in the Divan's Office with its poor prospects.

The Karkun therefore deserves encouragement although he is a bit junior to another Karkun Raghupatrao Deshpande who has passed no examination & who does not know English.

Krishnaji Narayan Kiresur to be Rs 15 Karkun vice Laxman Balaji promoted & to be Jailor & to get jail allowance of Rs 5- total Rs 20 per month.

Kiresur has passed the University School Final Examination am

and has appeared for the Pleaders Examination 4 times & has Knowledge of Civil & Criminal Laws & procedure. He has apparently Knowledge of Office work as he was an acting Karkun in the Hubli Subjudge's Office.

Erappa Parappa Karkun Rs 20, to be Subregistrar vice Bhimacharya & to get registration percentage fees which amount to about Rs 80 per annum or about Rs 7 per month (The fees this year were Rs 91-5-1).

Deshapande Rs 15

Raghupatarao Karkun to get Devasthan allowance Rs 5 total Rs 20 per month.

The third Karkun who did part of the work of the Diwan's Office & who also died of plague during the year is Narasingarao Deshapande Municipal Karkun. He was Jailor & Devasthan Karkun

Karkun & get allowances Rs 5 + Rs 5.

Gudappa Stamp Karkun Diwan's Office Rs 12 has been appointed Municipal Karkun Rs 15 (by the Savanur Municipality) on probation for 6 months.

Sheso Hanamant Huddar Amani Kulkarni Jekinkatti - a State village - to be Stamp Karkun Rs 12, on probation for 6 months. The family to which Huddar belongs has been in the service of the State during the last 3 generations.
